Guide for Admins

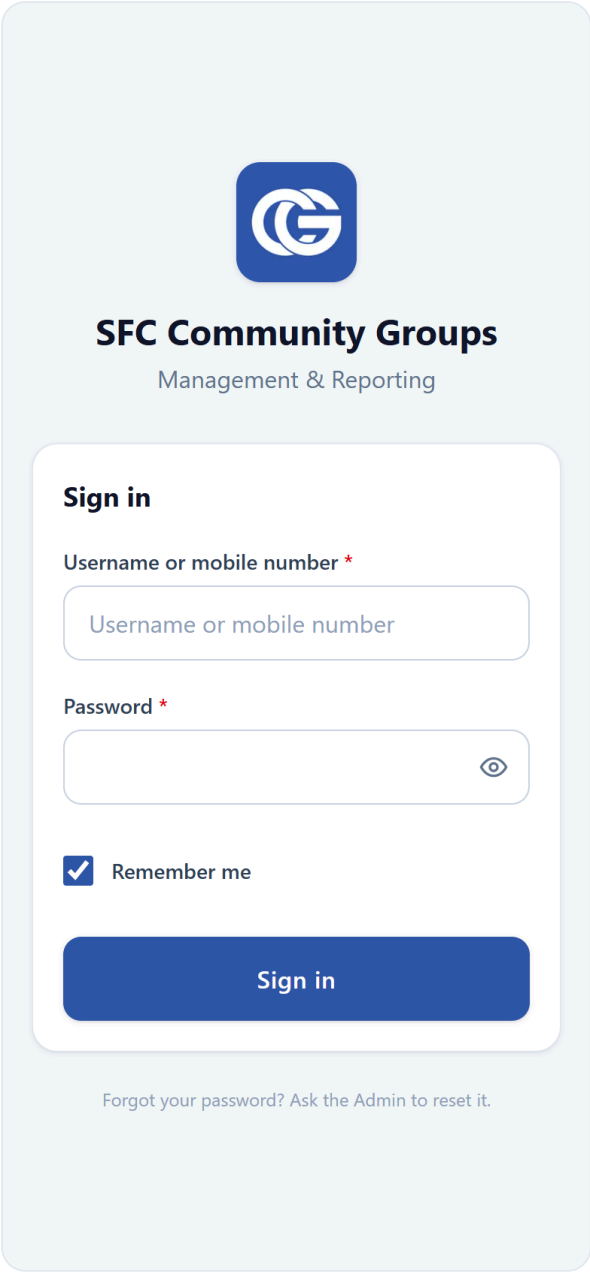

SFC Community Groups. You see every group. Leaders file the fellowship, follow-up, and next-fellowship reports. You can still correct the latest report, and you can change or cancel an upcoming plan.

- The tabs along the bottom are Home, Groups, Reports, and Settings.
- Sign in with your username or mobile number, and your password.

Sign in

1. Open the app.
2. Enter your username or mobile number, then your password.
3. Tap Sign in.

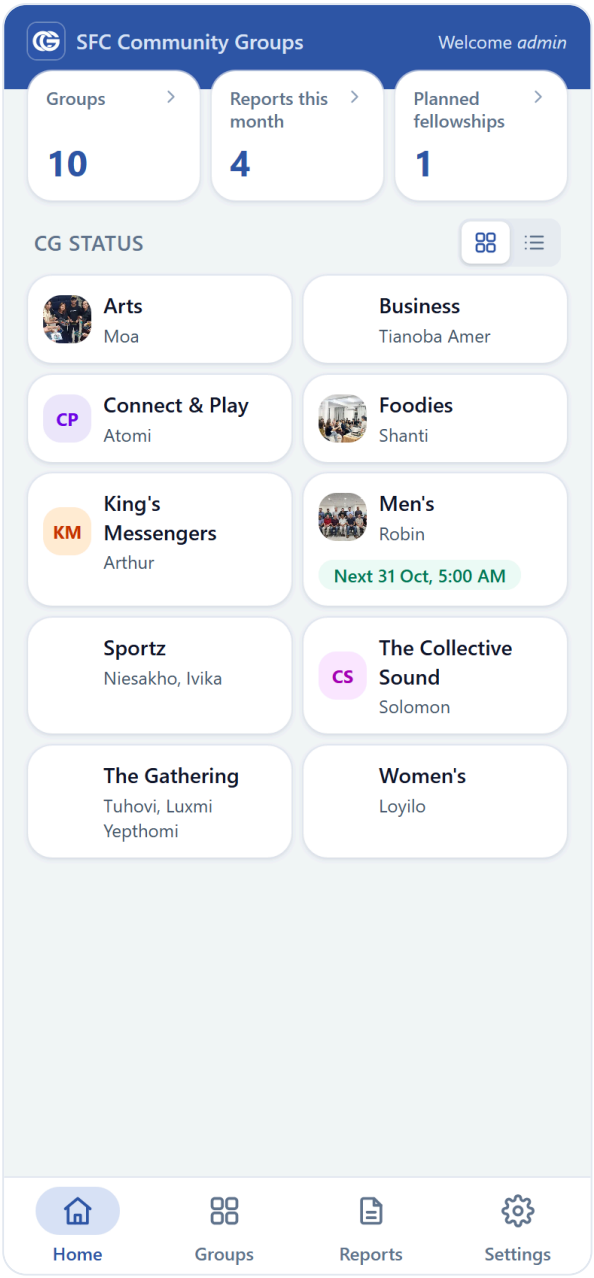

Leave Remember me on if this is your phone.

Home

Home shows how many groups there are, how many reports were filed this month, and how many fellowships are planned. Tap a number to open that list.

CG Status is every group. A group with a plan shows the next date in green. Tap a group to open it. The icon at the right switches between cards and a list.

Groups

The Groups tab lists every community group, with its leader and assistant leaders. Tap a group to open it. Add group is at the bottom.

Add a group

From Groups, tap Add group.

1. Enter the group name. Category is optional.
2. Choose Monthly or Every 2 months.
3. Add a photo if you have one.
4. Tap Add group.

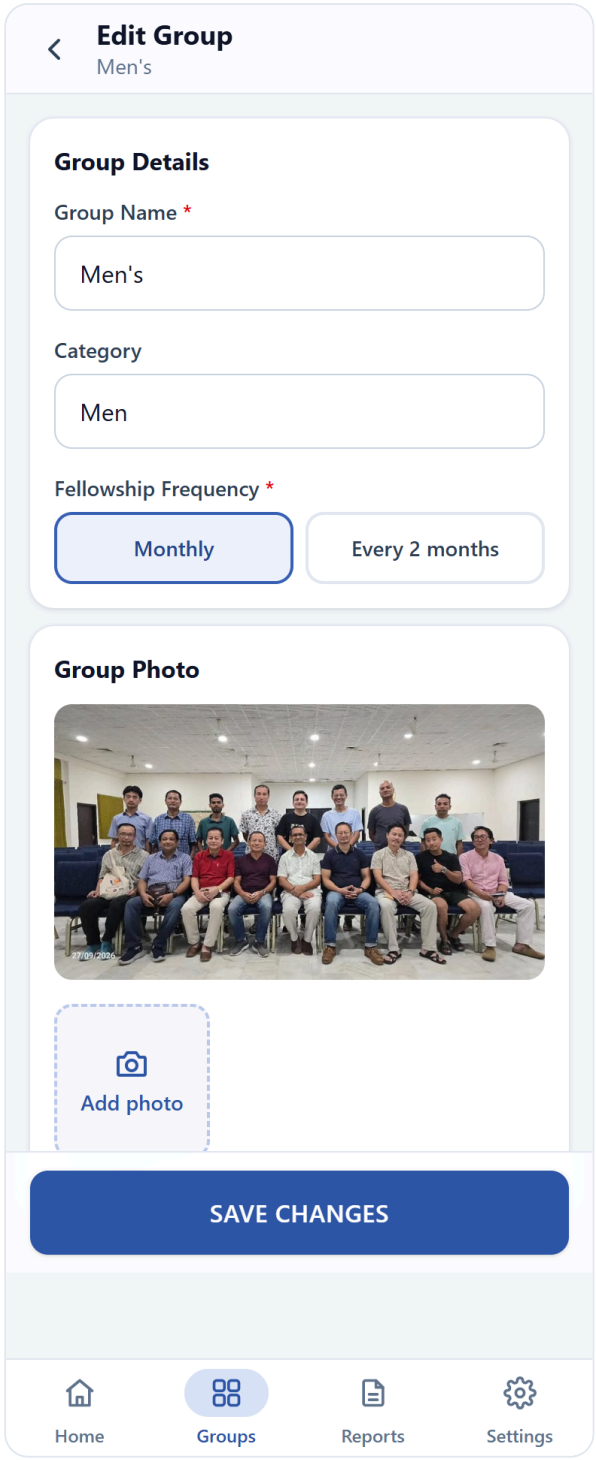

Leaders are added afterwards, from Leaders & logins.

Edit a group

From the group, tap Edit Group details. Change the name, category, or photo, and tap Monthly or Every 2 months.

Tap Save changes. Leaders can edit the name, category, and photo. Only an Admin can change how often the group meets.

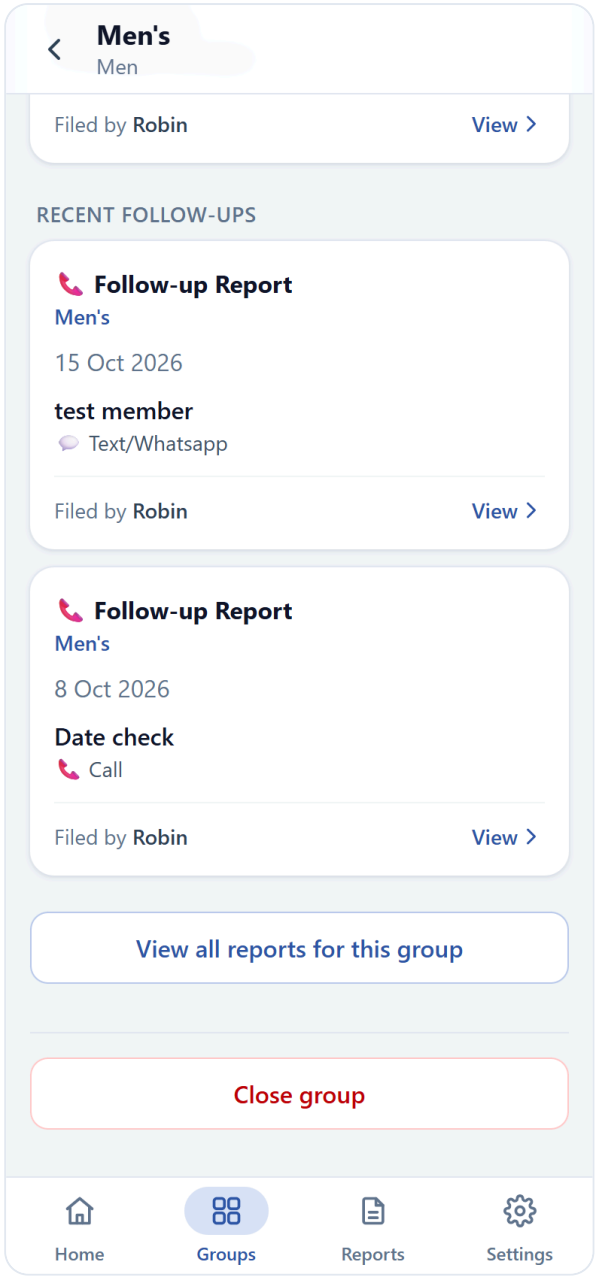

Close a group

Closing hides a group from Home and the Groups list. Its past reports stay and can still be opened.

1. Open the group and scroll to Close group.
2. Tap Close group, then confirm.

When any group is closed, the Groups list can show them again.

Leaders and logins

From a group, tap Leaders & logins. Each person is a Leader or an Asst. Leader. Someone with no login yet cannot sign in.

To add someone, fill in Add a person: name, role, mobile number, and any details you have, then tap Add to group. You can set the password in the next step.

Phone numbers in these pictures are shortened.

Set or reset a password

On the person's card, tap Set up login or Reset password.

1. Check the mobile number. They sign in with this number.
2. A password is suggested. Change it if you want. It needs at least 6 characters, a number, and a special character.
3. Tap Save login, then share the password with them privately.

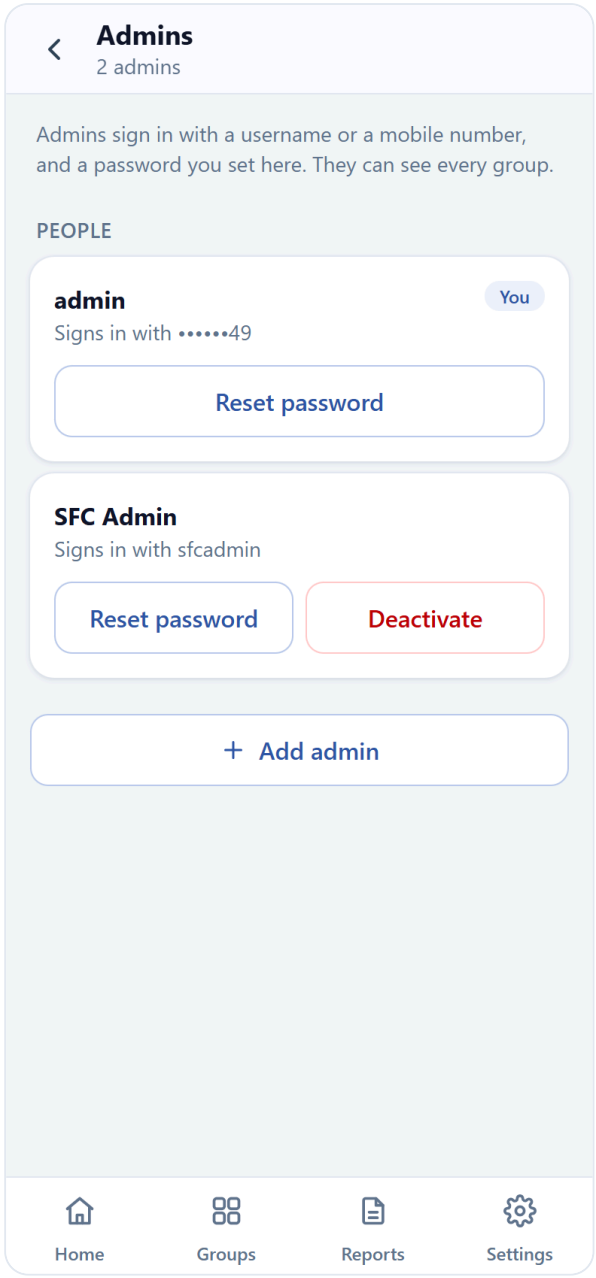

Reset password is the same screen when they already have a login and have forgotten it. Remove takes them off this group. Their past reports stay.

Admins

From Settings, tap Admins.

- Add admin asks for a username or mobile number, a name, and a password.
- Reset password sets a new password for an admin.
- Deactivate stops an admin from signing in. You can turn the login back on. You cannot deactivate yourself or the last admin.

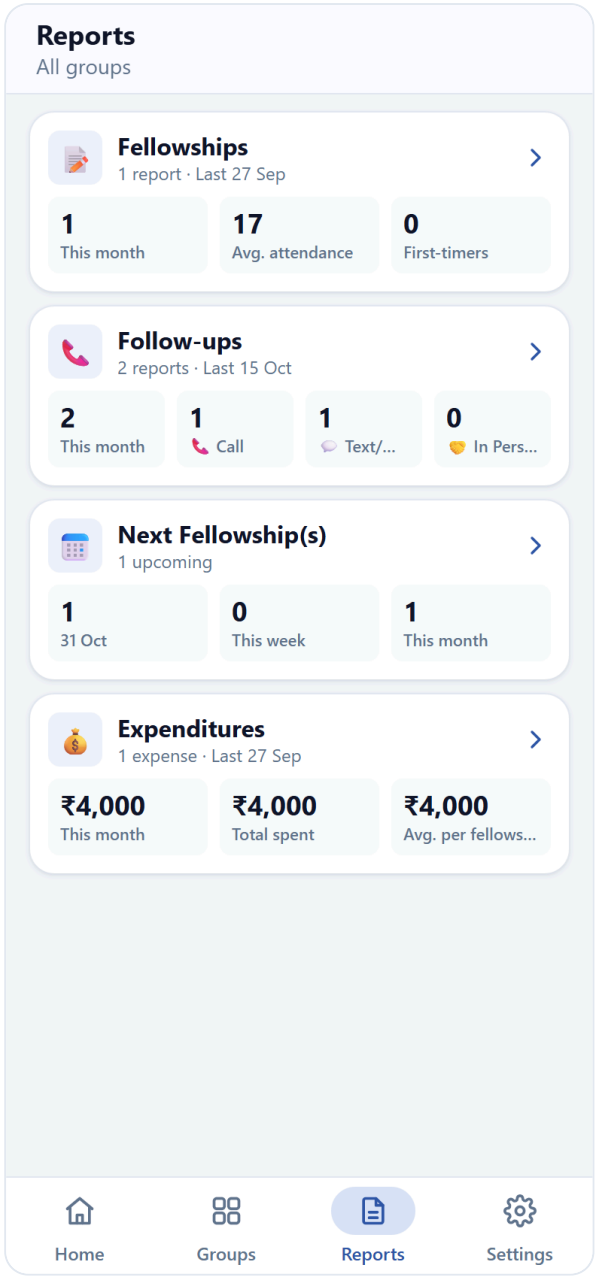

Reports

The Reports tab starts on All groups. The four cards are Fellowships, Follow-ups, Next Fellowship, and Expenditures.

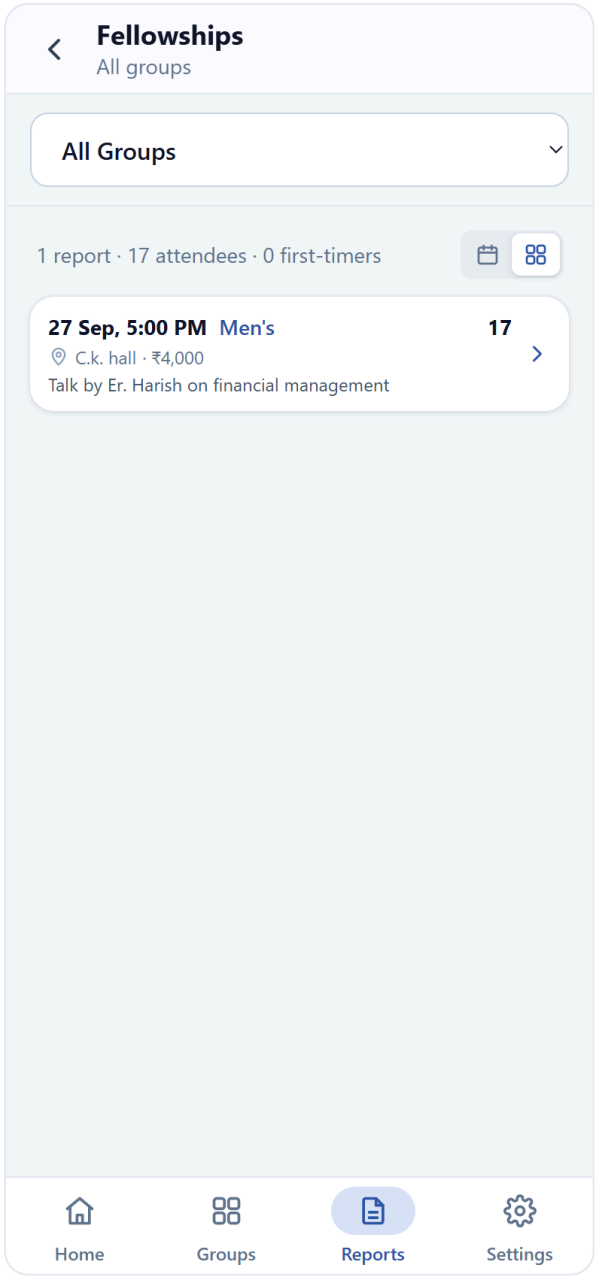

Tap a card to open that list. At the top, the group list switches between All Groups and one group. Tap a row to open the report.

From a group's page, View all reports for this group opens the same cards for that group only.

One group’s reports

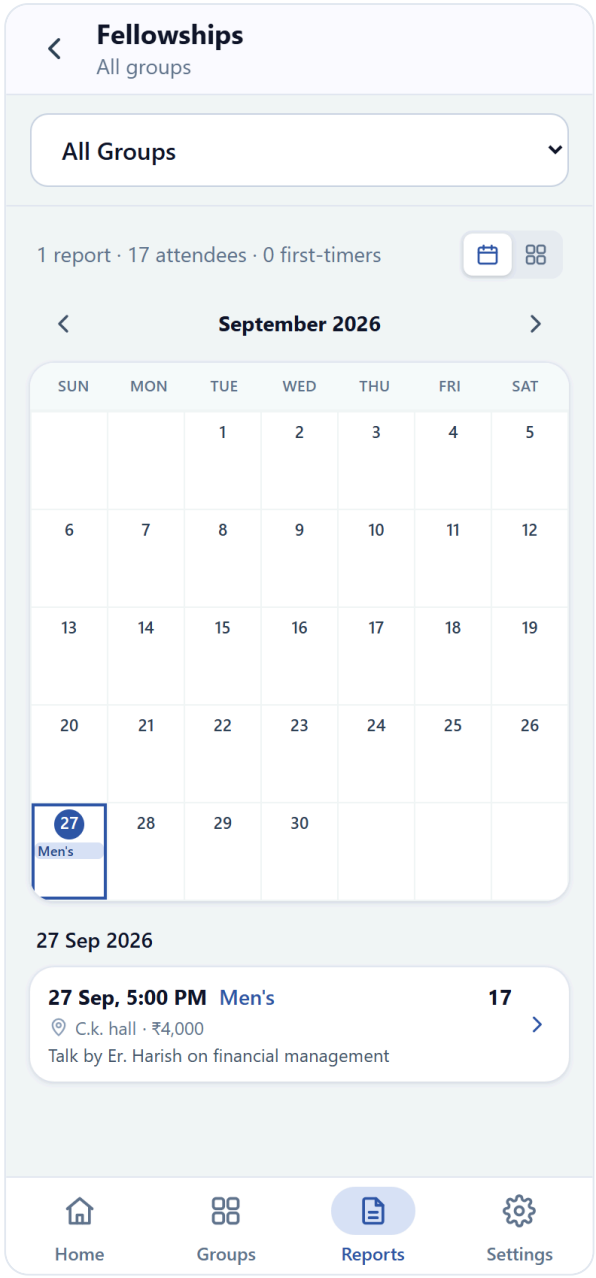

After you tap a card, choose All Groups or one group. The list updates straight away. This is the fellowships list.

Calendar view

On that list, the calendar icon opens the month. The other icon returns to the list. The group list above still switches between All Groups and one group.

- The arrows move to the previous or next month.
- A day with a report is marked with the group name.
- Tap that day. The reports for it appear under the month.

Settings

- Leaders & logins sets phone numbers and logins for every group in one place.
- Admins adds admins and resets their passwords.
- Change password uses your current password to set a new one.
- Show titles before names turns Bro., Sis., and Dr. on or off.
- App guide opens this guide. Download on that page saves a copy.
- Sign out is at the bottom.

Install app, on Settings or the banner on Home, adds the app to your home screen. On an iPhone, use Share, then Add to Home Screen. On other phones, tap Install app, or use the browser menu. The banner and the row go away once the app is installed.
